

22nd November 2016

Term 4 Week 7

Last week, has been a hectic week as teachers have been busy assessing students to provide accurate reports of your child's learning. The student's results were also plotted on the Continuum to see student improvement and to set new learning goals. The school was also busy trying to organise notes and buses for our Stage 2 & Stage 3 Excursion & Intensive Swimming.

**Remembrance Day Assembly:** Thank you to all parents, grandparents and carers who were able to attend our special assembly and pay their respect to the fallen soldiers. The students gave a wonderful tribute by reciting poems and taking active part in the Last Post, Ode and 2 minute Silence.

**Captain Speeches:** The school was very proud to hear a couple of speeches from our future leaders. I am sure Ulong is bound to have some great leaders from this community. The results will be announced on the Presentation Day 15th December.

**Steps:** Last week Janelle came to our school to do a free eyesight check. Parents would have received letters if she had any concerns regarding your child's eyesight.

**End of year Reports:** Next week, Week 8 please keep an eye out for student reports coming home. We are also having parent teacher interviews. If you have any concerns regarding your child's learning or report please fill out and return the meeting time sheet accompanying the reports.

**Excursion:** Thank you to Mrs Moore, Barry, Cherie and Rachel for giving up their family time to take our students on this valuable excursion. This excursion was not only fun but educational too. I received

real ly positive feedback both from students, teachers and parents. All students and teachers had a ball. Thank you Mrs Teale for posting those photos on Facebook and keeping us up to date and entertained with all the lovely photos that Mrs Moore and Cherie were sending.

We still have a busy three weeks ahead of us with Reward Excursion, Surf Day, Presentation and Performances all coming up.

**Surf day:** As we all know, we live in a country that is surrounded by water and children love to take part in water activities. Students need to be aware of Ocean Safety. The school is providing students the opportunity to attend an Ocean Safety day free of cost. Next week, Thursday, 1st December all students will be travelling to Park Beach Reserve to get some valuable lessons on how to keep safe on our beaches. We will be sharing the bus with Lowanna School. I understand some parents don't feel comfortable in sending their children to these water activities however, these excursions are fully supervised by life guards and teachers.

**Star of the Week:** This week Jada was nominated by the teachers and students for her caring and sharing attitude.

**Intensive swimming:** The school would like to thank the Crowe family for their generous donation to the school to assist students with the bus cost to attend Intensive Swimming. It is a fantastic opportunity for students to be able to receive intensive swimming lessons as part of our school Program. It is mandatory that every student participate to avoid unfortunate drowning accidents.

### **P & C Meeting**

*This Friday, November 25th  
at 9.15 in the Library.  
Come along and bring any  
suggestions you may have and  
enjoy a Christmas Morning Tea*
