

16th June 2016

Term 2 Week 8

### Welcome to Week 8

*I hope you all had a relaxing long weekend. It was fantastic way to end week 7 at school!!*

*Our year 6 students enjoyed Scope IT at Nana Glen, it was an extension to their existing knowledge of a computer language called Coding. The students designed their own snowmen. Their behaviour was exemplary.*

**Eisteddfod:** *Our whole school performed very well at the Eisteddfod held at Bishop Druiitt College. The students also enjoyed performances from other schools. It was an eye opener for our students to see how some of the choirs performed..*

*However, we were all very proud for our students as they performed beautifully not only at the Eisteddfod competition but also at the Opal Aged Care Centre. The seniors*

*thoroughly enjoyed their performance and showered their blessings on them. Another busy week is ahead of us, please note the following dates and events.*

**Assembly:** *Thursday, 16th June is our 3-6 Assembly. The School Director, Mrs Jenny Murray will be present at this assembly. We will be showing the our video of our students singing at the Opal Centre. So please come along to enjoy their performances.*

**Soccer Carnival:** *On Friday, 17th June our 3-6 students will take part in the Orara Valley soccer carnival. Our school is the organising School,so all staff will be at the TOFOG Ground helping on the day. However, K-2's will be having their activities planned with other K-2 students at Nana Glen. Mrs Slaviero will be present to greet the students at the gates of Nana Glen school. It will be a great opportunity for our students to meet other students of their age and take part in different activities planned by K-2 teachers. I'm asking all parents of K-2 students to take their child to Nana Glen, if required we can organise lifts with other parents driving down the mountain.*

**Smart School:** Next Tuesday, 21st, June our school will be taking part in the second component of Smart School. Shannon comes from Sydney to deliver Smart School Financial Literacy lessons to our students.

**Professional Learning:** I will be away on 23rd & 24th June for Kids Matter Training and will be attending the PPA Meeting. I am always available on my mobile if required. I am in contact with my staff and keep up to date with any incidents and events that take place in my absence.

**NAIDOC Day:** Our school will be celebrating NAIDOC Day on Tuesday 28th June at Lowanna, with 2 other small schools. We have invited guest speakers, Mark Flanders, Michael and some Aboriginal dancers. Students will take part in different activities like beading and art. They will also be able to taste kangaroo meat and damper. Transport will be by private vehicle to Lowanna PS. However, if required we can organise lifts with other families. Permission notes will be coming home next week.

**Years 3-6 Classroom Learning:** Students in year 6 are learning about Volume & Capacity. They have conducted an experiment to find how many millilitres of water a model of 1000's wooden block would displace and colour the new liquid level on the beaker. Year 5 were also learning how to construct a prism with a volume of 24 cubic cm then they sketched it in their workbooks.

**Eisteddfod Performance**
