Personalised Learning in a Caring Rural Environment

23rd March 2018

Term 1 Week 8

SUSTAINABILITY EXCURSION: The MRF (Materials Recovery Facility) was an exciting location for our excursion last Thursday. Students were mesmerised at the viewing window where they were able to watch as recycling trucks dump household waste which then went on a series of conveyor belts and machines to be sorted and recycled. The students gained some great insights into what can and can't be recycled and ways to reduce waste.

This excursion was funded by our Coffs Harbour City Council Green Schools Environmental

products to avoid to cut down on waste.

A picnic lunch and visit to the Links Gym completed our excursion. It was a pleasure to attend this day out with our students as they were wonderful ambassadors for our school and community.

such a fabulous job in feeding 400 students and 30 adults. Especially, a big thankyou to Chantelle for her driving force and leadership.

SCIENCE ON THE MOVE EXCURSION :

Students will be able to enjoy Questacon's travelling exhibition "Science on the Move" on Monday, 9th April from 11pm to 2pm. Bus cost will be covered by the school. However, parents will need to provide their child's lunch or they can bring money to buy lunch. We will be taking them to Yoghurt Land and they will be able to buy gelato or yoghurt with their money.
