Personalised Learning in a Caring Rural Environment

28 September 2018

Term 3 Week 10

SHARE OUR SPACE

Ulong Public School will be participating in the NSW Government's Share Our Space program these holidays. As part of this program, our school's playground and oval will open during the school holidays. "The Department of Education's School Infrastructure NSW unit manages the program. This involves opening and closing the school gates each morning and evening, ensuring the schools are cleaned daily and arranging roaming security guards to manage and maintain our valuable school assets."

During the holidays if the gates are open, children and community members are welcome to use our school playground and oval.

Please note, there will be no supervision provided and carers need to ensure that their children are safe and respectful of others and the school property.

Hope you have a safe and enjoyable holiday and we will see all the students back at school on Monday 15th October, for the first

day of Term 4. Please enjoy below some photos from our End of Term Assembly.

Have a great holiday.

Surinder Kaler
