

MOGIE MOVIE AWARDS!!!

Dear Parents and Carers,

How Exciting to see our mountain little stars shooting their own movies and learning all the skills required to develop a movie. A huge thank you to Screenwave for providing the students with a very informative workshop. It's an excellent Drama and CAPA unit of work that involves all learning areas of writing a narrative, learning about the camera angles and shots. The students will direct and produce the movie, they will write their own script and will perform. They will also learn about the important role of light and camera man. We are excited to learn so much on how a movie is shot.

Therefore, we would like to invite everyone to attend our **Mountain Mogie Awards Night** on **Saturday 2 November from 5pm to 8pm**. It is going to be nothing less than the actual Logies Awards. Everyone will have the opportunity to dress up in their formal Logie attire and will be welcomed on the red carpet. So, start getting ready to be a part of this fabulous event. Book your Limousine cars. It's time that our mountain shines.

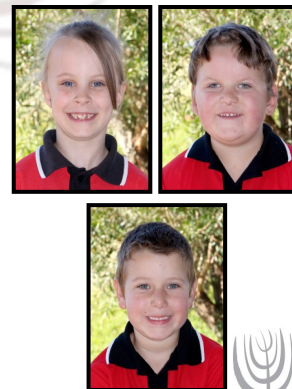

Dignitaries will be present to award our little stars for the four categories: Best Movie, Best Director, Best Actor & Best Actress and People's Choice Award. A flyer will be sent home soon as we get closer to the date.

Just save the date:

Saturday 2 November 2019
from 5pm to 8pm

Muluny Awards:

Congratulations to our first PBL prize winners for achieving 25+ Mulunys. Well done Ally, Sam and Thomas.

CAPA Enrichment Day: The senior girls had an opportunity to take part in the dance workshop organised by Orara High School as part of the Transition to High School program. They thoroughly enjoyed and learnt some fabulous dance moves.

STEM Activities: Ulong School has been actively participating in STEM Activities every Thursday. Last week and this week they are looking at Makey Makey.

Kinder Orientation: We will again have a couple of half day and a couple of full day Kinder Orientation days next term. More information will be available next term.

K-2 Enrichment day:

All students from the seven valley schools

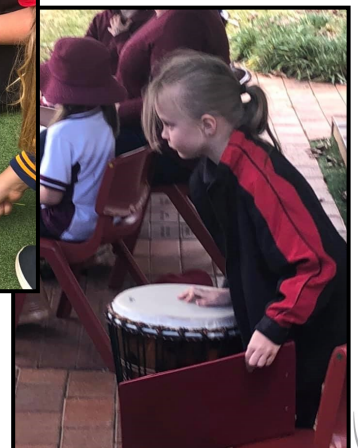

had an opportunity to mingle with other

students at our beautiful little school for the K-2 Enrichment day. It was a beautiful day and various activities were organised that involved art & craft to STEM and sporting activities. All activities ran very smoothly and students thoroughly

enjoyed the day.

I was very proud to see how our students conducted the day by being great leaders and leading the groups in the right direction. The school got such lovely feedback from all the teachers. All parents can hold their head high with pride as their children made everyone very proud. Well done Ulong!

Merit Assembly: A huge thank you to all parents who attended our Merit Assembly to encourage our students. It is always a very proud moment to see students being acknowledged for their hard work.

Healthy Lunches: Next Term, We will be providing free 3 course healthy lunches to all our students. It will be free of cost every fortnight on Wednesdays. We will cook, sit together and enjoy our healthy lunch. We will be teaching table manners and eating etiquettes by using knife and forks, napkins, tucking chairs after the meal and eating with closed mouth and not talking while eating. Therefore, we will request parents to encourage students to try healthy food and not to send any lunch as it will be provided free of cost.

School Holidays: With only seven more school days to go for this term, I would like to wish students and their families a happy and safe break. It has been a productive and successful term for our staff, teachers and students. Please note that there will not be a pupil-free day at the beginning of next term, so we look forward to seeing everyone back on **Monday 14 October**.

This is for all our children in our community. →

Have a great week.
